**Community Partnership Form**

The intent of the community partnership is to mutually benefit the race and its partners by bringing together participants from the race and community organizations. This is a great opportunity to showcase your organization to others. Additionally, the race is a memorable teambuilding event.

**How it works:** Your organization secures 10 participants and pre-pays a flat fee of \$350.00 for 10 race entry fee coupon codes. The coupon codes must be given to the intended 10 participants before they register online to bypass the race entry fee. Participants must be registered online by 07/28/19 or the pre-paid entry fee is forfeited. Race-day registrations do not count towards your grand total, pre-paid entry fees cannot be used for race-day registration, and no online registration is taken after 7/28/19.

**Pre-Purchase Coupon Code Form**

Some organizations pay for their staff to participate and ask their members to pay their own race entry fees. Some organizations 'gift' race entry fees to a members in good standing and some organizations pre-purchase their required 10, and then have members reimburse them at their discretion. However you choose to do it, the participant will need the coupon code to bypass the race entry fee at time of online registration and to count towards your required 10. Any participants you secure beyond the required 10 do not require a pre-paid coupon code and those beyond the required 10 will get you closer to the engraved perpetual trophy and victory celebration party donated by a local Tacoma restaurant!

**How it works:**

1. Complete form below. **NOTE: No refunds on race registrations including pre-paid registrations.**
2. A coupon code is created for your organization that allows 10 members to bypass the race entry fee during the online registration process. Coupon codes cannot be used at race day registration.
3. Give the coupon code to the 10 participants of your choice.
4. The coupon code is entered on the last page of online registration which will allow the registrant to bypass payment.
5. Participants affiliated with your organization beyond the required 10 will not need a coupon code and will pay the race entry fee accordingly (Adult \$45; Military/First Responder \$35; Youth \$15). They will select your organization from the drop-down menu during online registration and will count towards your grand total that puts you in the running for Overall Community Partner. The Overall Community Partner gets their organization's name engraved on the perpetual trophy and will receive a victory celebration party hosted by a local Tacoma restaurant.
