Individual Sponsorship Levels & Benefits

Due to the generous support of our corporate and individual sponsors we have raised money each year, since our inaugural year 2011, for the rescue animals of Kindred Souls Foundation. Your sponsorship this year will help us grow the race so that we can help even more animals.

Kindred Souls Foundation focuses on senior, medically fragile, and special needs animals placed in our long term KSF homes. We provide education and outreach services in the community to help keep people and their animal companions together. We have partnered with the Crystal Judson Family Justice Center in Tacoma since 2018 to help animals of domestic violence. We also work with Catholic Community Services to help animals at the Nativity House Apartments and Day Shelter and the Pierce County Stability Site.
