Community Partnership Form

The intent of the community partnership is to bring together participants from the race and community organizations. This is a great opportunity to showcase your organization to others and is a memorable teambuilding event.

How it works: Your organization secures the required number of participants at regular price: \$50 adult, \$40 Military / First Responder, \$25 Youth. While your participants will pay their own race entry fee at the time of online registration, we do require your organization to provide a credit card to be charged for any delta owed. The delta is the remaining race entry fee balance owed if you do not secure the minimum amount of participants by the close of online registration 7/30/23. The amount owed will be calculated by multiplying the remaining number of participants needed to equal 5 x \$40 (just above the median of all three race entry fees). **No online registration is taken after 7/30/23 and no race day registration is offered for 2023.**

How you compete: Select which race your team wishes to enter. Only one race per organization.
